

The MDRT Academy is a digital learning platform designed specifically for financial advisors and insurance agents who are striving to reach MDRT (Million Dollar Round Table) membership or achieve premier professional status. The platform offers a personalized experience tailored to each member's unique skill set and learning style, with access to a wide range of resources and tools to help them perform at the highest level.

As a member of the MDRT Academy, you will have exclusive access to a wealth of resources, including 1,000+ articles, videos, podcast episodes, webcasts, and performance guides, as well as the ability to track your progress and set long-term goals. You'll also have access to an MDRT member mentor and certain MDRT events.

Through the MDRT Academy, you'll have the opportunity to master the eight critical mindsets, overcome challenges, and sharpen your skills and business processes, which will help you increase your client list and production. By joining this new kind of association, you'll have an active training ground where you can hone your personal and professional skills and take your career to the next level.

The MDRT Academy is digital by design, with an intuitive web and mobile app that is always on and always evolving. This allows you to learn anytime and anywhere, at your own pace and in a way that suits your schedule and lifestyle.
